CELEBRATING OVER 110 YEARS

In 1899, the partners heading up the Peck Judah Travel Agency in San Francisco conceived a plan to place railroad timetable and brochure display racks in major hotels all over the West. Serviced by reliable men, these towering oak displays were round-the-clock information centers for the traveling public.

This simple distribution network was acquired in 1960 by John W. Fearn, who changed the name to Certified Folder Display Service (because each location is "certified" in writing by a location official) and started the long and difficult process of expanding this network from fewer than 100 locations to over 22,000 locations today.

In 2009, Certified proudly celebrated a 110 year history (1899-2009) of providing visitor information to the traveling public.

The Most Extensive Coverage Throughout The West

* Service provided by Inter-West Alberta

Millions of visitors and travelers use Certified's 22,000 brochure display racks annually throughout California, Oregon, Washington, Idaho, Montana, Nevada, Arizona, New Mexico, Colorado, Utah, Wyoming, Texas, Oklahoma, Kansas, Arkansas, Nebraska, Louisiana, South Dakota, British Columbia and Alberta.

Our locations include major hotels, motels, car rental offices, visitor centers, airports, restaurants, depots, RV parks, campgrounds, chambers of commerce, interstate service stations, corporate/industrial plants, and ski and sporting goods stores.

Tailor your use of Certified to either year-round or seasonal needs! Select and pay for only the areas and programs suited to your needs.

Nora D. Cooper – Guinness World of Records Museum

"I would once again like to thank you for your support... I look forward to the continuation of our relationship."
